

Barbara Barlow, DNP

ADULT PRIMARY CARE NURSE PRACTITIONER

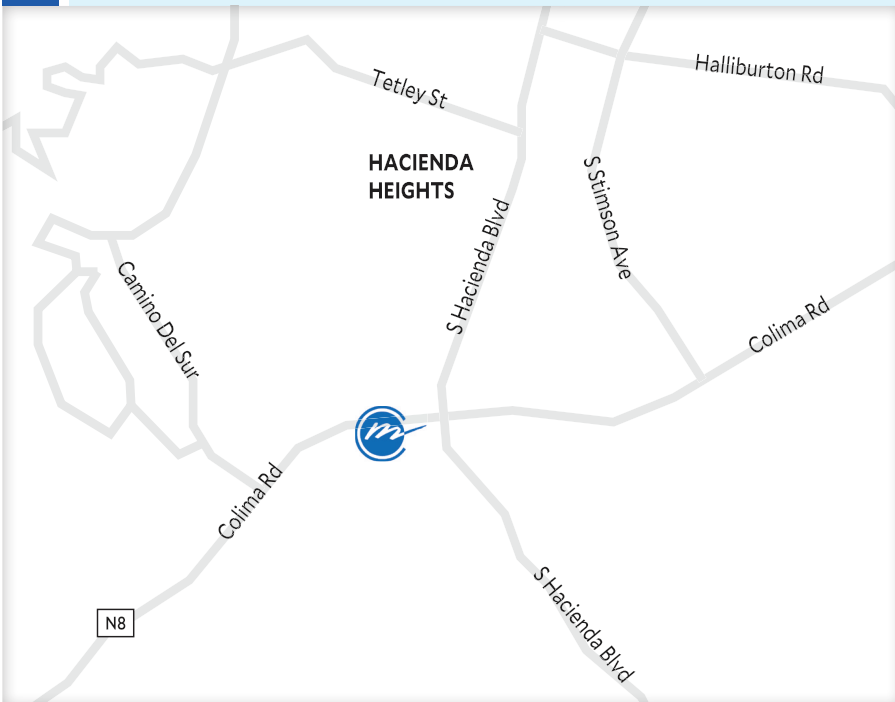

I have been working in healthcare for over 40 years, and I still LOVE what I do! I am board certified with the American Nurses Credentialing Center, and I believe in modern medicine... old-fashioned care. I joined CareMore Health in 2009, and I like that they love helping people and are good partners in providing the best comprehensive health care for seniors at an affordable rate. When I'm not helping patients, I enjoy tennis, theatre and I just started playing pickleball.

Education: Bachelor of Science in Nursing from City University of New York, Lehman College
Doctor of Nursing Practice from Southern California CSU Consortium

Office Languages: English, some Spanish
